Professional Summary

Detail-oriented and energetic Housekeeping and Facility Support Professional with over 5 years of combined experience in premium 5-star luxury hotels and healthcare environments. Expert in maintaining the highest standards of cleanliness, room readiness, and aesthetic presentation according to international luxury brand protocols. Proven ability to coordinate efficiently with laundry, maintenance, and front-office teams to maximize guest satisfaction. Currently based in Riyadh and ready to deliver exceptional service at premier properties like The Ritz-Carlton or Marriott.

Work Experience

Housekeeping & Room Inspector Coordinator

Islamabad Serena Hotel (5-Star Luxury) | January 2025 – Present

- Maintained impeccable cleanliness and luxury setup standards for VIP rooms, suites, and public areas according to international 5-star protocols.
- Inspected guest rooms thoroughly before arrival to ensure 100% compliance with brand standards regarding linen, amenities, and functionality.
- Coordinated closely with the Engineering/Maintenance department to report and follow up on room defects and repairs.
- Managed housekeeping inventory, including linen, chemicals, and guest amenities, ensuring strict cost-control and zero wastage.

Computer Operator & Administrative Assistant (Facilities Support)

Shifa International Hospital | April 2023 – December 2024

- Managed the digital logging and dispatching of facility maintenance and deep-cleaning requests across hospital wings.
- Maintained accurate data entry logs for environmental services, hygiene compliance reports, and inventory management.
- Supported departmental supervisors with administrative tasks, scheduling, and tracking vendor deliveries.

Housekeeping Associate (Apprentice / Part-Time)

Pearl Continental Hotel (5-Star) | January 2022 – March 2023

- Learned and executed 5-star guest room cleaning procedures, bed-making techniques, and turndown services.
- Handled guest requests promptly and politely, ensuring high satisfaction and positive feedback.
- Maintained housekeeping carts, equipment, and chemical supplies safely and systematically according to occupational safety guidelines.
